

Innovation in Planning, Design and Civil Infrastructure for Resilient and Sustainable Transformation

Ho Chi Minh City, Vietnam . April 16-17, 2026

CALL FOR ABSTRACTS

About CIGOS 2026

CIGOS 2026, the 8th International Conference on Geotechnics, Civil Engineering and Structures, will be held on April 16–17, 2026, in Ho Chi Minh City, the dynamic economic and cultural center of Vietnam.

Jointly organized by **the Association of Vietnamese Scientists and Experts (AVSE Global)**, **the University of Architecture Ho Chi Minh City (UAH)**, and **the University of Sydney Vietnam Institute (SVI)**, this well-recognized conference builds on a legacy that began in 2010 in Paris and has since established CIGOS as a leading international platform for advancing research and innovation in civil engineering and related disciplines.

Under the theme **“Innovation in Planning, Design and Civil Infrastructure for Resilient and Sustainable Transformation”**, the conference brings together a diverse community of researchers, practitioners, policymakers, and industry leaders to explore cutting-edge solutions for resilient and sustainable infrastructure. It offers a platform for the exchange of knowledge, presentation of groundbreaking research, cultivation of economic partnerships, and promotion of international cooperation in research and education.

Join us in Vietnam’s vibrant economic and cultural hub to help shape the future of global infrastructure through innovation and collaboration.

As with previous editions (2017, 2019, 2021, and 2024), the proceedings of CIGOS 2026 will be indexed by Scopus and the EI Compendex database, ensuring broad academic visibility and impact.

Main conference topics

Geosciences, Environment, Energy

Planning, Architecture, Industrial Design

Construction, Materials, Structures, Digital Technologies

Artificial Intelligence, Data Analytics, Digital Transformation

Transportation, Infrastructure, Management and Investment

Important dates

June 15, 2025

Deadline for Abstract Submission

August 30, 2025

Deadline for Full Paper Submission

December 30, 2025

Notification of Paper Acceptance

April 16-17, 2026

Conference Dates

Chairmen of Organizing Committee

LE, VAN THUONG

Associate Professor, Rector of the University of Architecture Ho Chi Minh City
Vietnam

HA MINH, CUONG

Associate Professor, AVSE Global & ENS Paris-Saclay, Paris-Saclay University
France

PHAM, CAO HUNG

Associate Professor, The University of Sydney Vietnam Institute,
The University of Sydney,
Australia
